REFLECT

Here's what to expect in today's episode!

We are thrilled to share with you a sneak peek of today's episode: Obedience: The Life of a Believer. In this episode, we dive deep into the essence of true obedience to God. Obedience is not just about following rules-it's about aligning our hearts and lives with God's perfect will.

You can't truly follow God without obedience, and it's impossible to build a genuine relationship with Him if you're not willing to submit to His guidance.

God's ideal for your life will always surpass anything you could imagine for yourself. But to step into that divine plan, obedience is essential.

Disobedience, on the other hand, is a subtle form of arrogance-it's when we believe we know better than God. But the truth remains: God is God, whether we obey Him or not.

Reflect on this: What is your definition of success? Is it material wealth or alignment with God's will? Even if you possess everything this world has to offer, disobedience to God is choosing spiritual death over life. There has never been a time when disobedience led to true prosperity.

As believers, our obedience is a testimony of our trust in God. Prophet Samuel reminded the Israelites that "obedience is better than sacrifice" (7 Samuel 15:22).

Material possessions and outward success cannot replace the importance of obeying God. True success is found in a relationship with God and in aligning with His will.

Join us in this episode as we explore the life-changing power of obedience and how it shapes our journey with God.
